**Having problems with you PC? Don't know how to fix it?
Don't want to pay the ridiculous prices that PC World and
others charge? Don't have the time to take it elsewhere?**

Let us help

Our trained technicians are able to come to your house diagnose and fix any problems on the spot. On the rare occasion that an on the spot repair is not possible we will take the computer back to our workshop and have it back to you the next working day (subject to parts availability).

No Fix No Fee
